MAY 2016

## Kathy's Corner

Greetings, Teen Supporters!  
 Check out some of the  
 upcoming projects

GiveTeens20 is currently working on:

- GT20's Career video with Tyler Layfield and the late Kalimero continues to inspire teens to become K9 officers. We are starting a K9 Retirement Fund for Fremont Police Association (FPA) as all expenses rest on the handler's wallets once the dog is retired. Join us at our Chamber Mixer, July 7th Concert in the Park, and the Fremont Festival of the Arts to support this effort.

- GT20 continues to encourage and equip teens by providing in-class presentations at no cost to schools. In the sessions, teens are encouraged to Know Themselves by honest self-assessment, then to Learn about careers they now know are interesting to them and are given no-cost tools to accomplish this. Contact office@giveteens20.org to get on our schedule.

## LOYAL MEALER - 2016 FOUNDERS AWARD

Given by the organization's Founder, this award honors an individual who has made a substantial contribution of time and talent to GT20 that has significantly impacted the organization's progress.

The 2016 Founder's Award will be presented to Loyal Mealer with Enerongoso, a web services consulting business, who was GT20's first partner and cheerleader. Loyal has provided invaluable support and expertise since 2011.

## TEEN CHAMPION AWARD

The GT20 Teen Champion is nominated by the community at large, voted on by the GT20 Board, and recognizes an individual, or individuals, who provide teens with opportunities in learning/education, training, societal awareness, employment and advancement. The 2016 Teen Champion Award recipient will be presented at our All In White Casino Night.

## INTERN SPOTLIGHT

Brittany Hang graduated Long Beach State with a degree in Journalism in May, 2014 and was brought on as GT20's Social Media Intern. She was hired by Facebook in July, 2015 and states, "Reason why I'm getting an interview and have gotten this far is because of my work with you. I have you to thank for this!"
