Be the person you
needed as a teen...

Volunteer to share your
pearls of wisdom—
what you needed to
hear as a teen.

GIVETEENS20'S MISSION is to encourage and equip teens to find their career fit by providing no-cost, easy-to-use tools and resources.

We ask adults succeeding in their careers to give teens 20 minutes and answer 3 questions to provide career insights. We film the responses, edit to 4 minutes, and feature them on the GT20 website so teens have an opportunity to research career fields of interest.

These videos are paired with an in-class presentation that helps students choose future goals, and then align those goals with a heightened focus on school and learning.

YOUR DONATION makes possible a future where all teens will have a direction that "lights them up!"

Your contribution is impacting the next generation of more than 4,000 students who will continue to be encouraged and equipped by the GT20 coaching presentation, and the countless others who will visit our website.

Each dollar raised will be matched thanks to a \$50,000 matching fund grant through The San Diego Foundation.
